# A NOTE FROM OUR TEAM

Welcome to the Morehead Inn!  
We are honored to share our venue with you and are excited that you are considering us for your wedding or event.

Once a family estate, our Charlotte property is home to many memories, laughs, and meals with loved ones. Since opening our doors to the public in 1984, we have found new ways to share the beauty of our quaint oasis.

Hospitality is truly at the heart of everything we do at The Morehead Inn. Our hope is to integrate the Southern charm and history of our 1917 estate into every wedding and event we host.

We are blessed to be a part of so many occasions and would love to be a part of yours!

# SPECIAL EVENTS

Located in the historic Dilworth neighborhood, The Morehead Inn is the perfect spot to host your next cocktail party, corporate meeting, shower, or reception. Your event stylist will work with you to create a customized proposal and layout for your event.

# Frequently Asked Questions

## **Are the guest rooms included in the venue rental?**

The guest rooms are booked separately through the front desk and are not included in the venue rental fee. You are only required to book the 8 guest rooms in the main house for the night(s) of your rental. (e.g. full weekend: Friday and Saturday night)

## **Do you require certain vendors?**

We work exclusively with Something Classic Catering for all food, beverage, and rental products. Your event stylist will work with you to create a customized proposal to meet your needs and preferences. You are welcome to hire any other vendors you would like, as long as they have insurance.

## **Do you require a wedding coordinator?**

Yes, we require all weddings hire a planner or coordinator to ensure a seamless event. We do not handle ceremony coordination, personal decor, or vendor communications, so it is imperative to have a planner. We recommend at least a month-of coordinator, so they can participate in our final walkthrough for your wedding day.

## **What are your rain plan options?**

For weddings with 100 or less guests, our indoor spaces offer a beautiful rain backup for a ceremony or dinner. For larger guest counts, tenting is required to accommodate everyone. Each wedding is unique, so we will discuss setup options with you to determine the best layout for your guest count and vision!

# Frequently Asked Questions (cont.)

## **What time does our wedding need to end?**

Our standard wedding end time is 10:00pm, but extensions are permitted if you would like your DJ/Band to play later. Additional fees may apply for your bar package, staffing, etc.

## **What is included with the venue rental?**

The venue rental fee includes access to our inventory of tables and chairs that our team will setup and breakdown and free parking for your guests in our adjacent lot. Your rental includes exclusive access to the event space you have reserved. Our catering service includes our House China, flatware, and glassware.

## **What if we want to get ready at the Inn?**

We definitely recommend this! We have numerous guest rooms to choose from for your getting ready suite. The Solarium and Worthington are the most popular options and offer ample space for bridal parties to enjoy.

## **Can we rent a dance floor or other specialty rentals?**

Of course! We provide all rentals and can source anything you'd like to fulfill your vision.
